BOARD ACTION:	Amending Waste Discharge Requirements (WDR) Order No. R5-2004-0045 and Rescinding Cease and Desist Order (CDO) No. R5-2004-0046
BACKGROUND:	The United States Air Force (Discharger) owns and operates a wastewater collection, treatment, and disposal system, and provides sewerage service to domestic and industrial users on Beale Air Force Base. The Discharger notified the Regional Water Board that the NPDES permit regulating the discharge of effluent from the Beale Air Force Base Wastewater Treatment Plant (Facility) to Hutchinson Creek is no longer necessary. The Discharger is currently discharging treated effluent to land under WDR Order No. R5-2004-0045 and WDR Order No. 5-01-087. The Discharger has requested the rescission of the NPDES portion of Order No. R5-2004-0045 and CDO No. R5-2004-0046 in its entirety. The portions of WDR Order No. R5-2004-0045 regulating the discharge of wastewater treatment plant effluent to land will remain in effect until the Regional Water Board considers adopting renewed WDRs at a later date.
ISSUES:	The tentative Order amending WDR Order No. R5-2004-0045 and rescinding CDO No. R5-2004-0046 was issued for public comments on 29 April 2009.
